We will be concluding a very rewarding term at Hillcrest Primary School this Friday 19th April with our annual ANZAC service assembly. All members of our school community are invited to join us as we present wreaths, share excerpts from readings and listen to an address by our guest Mr Garry Burgoyne, President of the Korean & South East Asia Returned Servicemen League. The Hillcrest school choir led by Mrs Su-Wei Neo will provide musical accompaniment for this occasion. We hope you can join us for this special event starting at 9.30am.

MYSTERY EXCURSION students headed off to an unknown destination this Monday 15th April for a day of fun activities and shared celebrations. Students who consistently demonstrate the Hillcrest values are recognised for their efforts with two students from each class selected to attend every term. Congratulations to all our Mystery Excursion winners and a reminder for all students to get your virtues slips in to be considered for our next mystery event.

KAARLA KAATJIIN which in Noongar means ‘to understand fire’ is the first story in a trilogy of theatre productions centred around Noongar language and culture. Yirra Yaakin Theatre Company will be presenting this story of how the birds and animals bring fire to warm up Noongar Country to all students in years one to three at Hillcrest primary school this Wednesday 17th April. Parents welcome.

WATCH THIS SPACE is an ambitious project that aims to revegetate and make welcoming the front verge of Hillcrest Primary School on the corner of Bayview and Drake streets. The project is driven by a dedicated group of parents that share in our schools vision of developing a sustainable future. Sunday 9th June will be our Family Planting Day when your assistance will help complete this makeover. If you have any ideas, skills, resources or questions contact project manager, Mr Glen Cook via the front office.

Disruptions are scheduled to continue throughout the school into the second week of term two with classrooms expected to be completed during school holidays. A reminder regarding asbestos removal and the requirement for all members of the public to remain off the school premises during this time.

P&C and SCHOOL COUNCIL MEETINGS are being held this Wednesday in the staff room. P&C commences at 7.30pm and is a wonderful opportunity to meet and discuss the supportive programs that the P&C contribute towards to enhance learning for your child. New members are always welcome!

NEXT TERM commences for students on Tuesday 7th May with students having one week to settle into the term before National Testing commences in week two. Only a nine week term will mean a fairly busy timetable with in-term swimming also commencing on May 20. Student reports are handed out at the end of semester.

FRIENDLINESS IS OUR VIRTUE FOR WEEKS 9 10 & 11

Friendliness is being a friend. It is taking an interest in other people. It is going out of our way to make others feel welcome or to make an invited stranger in our school or house feel at home. When we are friendly, we happily share our belongings, time, ideas and feelings. We share the good times and the bad times together. Friendliness is the best cure for loneliness.

During the next few weeks think about what it is you do to be a friend. Notice the things you say and do with those that are your friends. Talk together about how it feels to both receive and give those gifts of friendship. You might like to tell each other what you see that shows FRIENDLINESS.

Remember: “The best way to have a friend is to be one.”  Peggy Jenkins
