Dear Parents and Care-givers,

Term One has flown by with many exciting achievements. This now sets the scene for further exciting development in terms 2, 3 and 4. Some important happenings this last fortnight and events next term are listed below.

**Morley Veterinarian Clinic incursion**

On Wednesday 2nd April Year 2 and 1/2 from rooms 3 and 7 were entertained and informed when a local vet was invited to talk on the care of pets. With Year 2 investigating the topic of pets the vet brought her pet Border Collie Dog along. It was a special working dog and not only was she able to round up sheep but could do tricks as well. All the children loved this incursion.

**AQWA excursion**

On Monday 7 April Rooms 11 and 12 Year 5/6 and Year 5 were rewarded with an end of term excursion to AQWA in Hillarys. From the students reactions they enjoyed their experience and learnt more about the marine environment that makes up the coast of W.A. This excursion focussed on the marine animals and the biological science aspect of science. Hillcrest children at the touch pool are pictured right.

**ANZAC Day Ceremony**

The annual ANZAC Day ceremony was conducted today with special guests including Mr Garry Burgoyne OAM Ex-State President of the Korea and South East Asia Veterans Assn. Once again children provided flowers and each class created a floral tribute. The children’s presentations honoured the sacrifices made by servicemen throughout all conflicts and reflected on the life that we now enjoy. The school choir conducted by Mrs Neo performed an ANZAC remembrance song. Mrs Langley’s/Mrs Baker’s year 5 room 12 visited the Embleton Regis Care facility and presented the floral tributes to the elderly residents. The students also performed a choral item and 3 year 7 students entertained residents with a musical item. Thank you to all parents for their support.

**ACROD Bay and Ramp**

This construction is continuing and should see completion by the start of term 2.

**NAPLAN testing**

This will take place in Term 2 Week 3 beginning on Tuesday May 13. Children in Year 3, 5 and 7 will be assessed in language and numeracy and results will be available and sent home to parents in September weeks 9 -10 of Term 3.
I have self-discipline. I use my time well and get things done. I choose my actions with detachment.

You are practising Self-Discipline when you:
- Use detachment so your emotions won’t control you
- Speak and act calmly when you are hurt or angry
- Get things done in an orderly, efficient way
- Create routines for yourself
- Do what is expected without people having to watch over you
- Do things on time

A message from Nurse Lilly
Your child’s lunch box can contain food from all of the five groups. The food groups are; bread and cereal, fruit, vegetable, meat/meat alternatives and dairy/dairy alternatives. Some examples can be found at www.nutritionaustralia.org
Try these in your lunch box;

- Lean Ham and salad wrap
- Banana or handful of grapes
- Sliced Vegetables (carrots, cucumber, tomatoes)
- Handful of reduced fat cheese cubes
- Boiled rice and vegetables
- Reduced fat yoghurt
- mixed dried fruit
- Bottle of water

Healthy lunches and snacks are important for keeping active kids alert and focused and providing them with nutrition they need every day. Try including fresh fruits, crunchy vegetables and a combination of protein, dairy and carbohydrates food in your child’s lunchbox.

TERM 2 - UNIFORM SHOP OPENING DAYS - FRIDAY MAY 2, FRIDAY JUNE 6.
P&C Fundraiser

The Federal Senate Re-Election was conducted on Saturday 4th April and the P&C committees took the opportunity to raise much needed funds via a BBQ and a cake stall, plus the year 6/7 had a hamper raffle with all fundraising being a success. Once again however each stall was manned by too few volunteers making the effort of those that attended all the more commendable. As a guide 15 volunteers from the whole school to man three booths is disappointing.

A special thank you to Gemma who cooked 1000 cupcakes for the Kindy/PP cake stall, they were amazing.

TO ALL PARENTS: Please note that WE NEED YOUR ASSISTANCE at such events with the funds going directly to the school and your kids education. The P&C needs volunteers to run all events, and prior to such events a roster will be circulated through your class reps and via the school newsletters. If every family could roster for one or two hours ONCE a year, it would be hugely appreciated, and a good way to meet other parents at school.

YEAR 6/7 RAFFLE

As a fundraiser for the year 6/7 camp, the children conducted a raffle at the election on Saturday, and given it was such late notice, the kids did an amazing job in pulling together and creating 4 raffle prizes and raised $436.00. Thank you to all the parents who donated items for the raffle, but a huge effort to two parents and a few students who manned the stall ALL DAY, Suzie and Janet you did a great job and the students of year 6/7 thank you for your efforts.

Winners were

1st Prize Uncle Les (Kounis), 2nd Prize Nicole Tedesco, 3rd Prize Devica, 4th Prize Alister Uglow
