Thank you to the dedicated and committed group of parents and friends who assisted with spreading mulch and preparing our front garden for the upcoming Family Community Planting Day on Sunday 9th June from 9—12am. We even had some families who couldn’t make the scheduled time come down in their own time to ‘do their bit’ to help maintain our wonderful school grounds. Hillcrest parents and friends helped out all weekend at the Bunnings Sausage Sizzle which again was a financial success for our Kindy and year seven camp fundraisers. Thank you to all parents and staff that made time to be available to help raise the funds that enhance the learning programs at Hillcrest Primary.

YEAR SIX AND SEVEN TRANSITION TO HIGH SCHOOL will be one of the biggest changes for schooling in WA when in 2015 all year seven students will be placed in high school. To help parents understand the changes and assist with the smooth transition of students to the high school context we will be hosting Jude Silsbury, Principal, John Forrest Senior College on Wednesday 19th June at 7.00pm to discuss preparations and answer questions from the floor. Interested parents and members of our school community are welcome to attend. You can confirm your attendance and outline any questions you would like clarified via email Dan.Bralic@Education.wa.edu.au.

WA DAY HOLIDAY this Monday marks the commencement of WA week. We will be celebrating this significant occasion at Hillcrest Primary School with a number of special events planned throughout the week. You can help share in the events by supporting our students as they celebrate Musical Harmony Day (Wednesday) and International Feast Day (Thursday).

ONE ON ONE TIME is important. Try to find some time this week with your kids. Drop off or pick up from school, go for an afternoon walk or snack, use this time to ask how your child is getting along with school. Have a great long weekend.

Asthma, Cough and Colds: The common cold, caused by an upper respiratory tract infection, is one of the most common illnesses for children and adults in Australia. Colds are more common in winter months as people spend more time indoors, in close contact, and can be more likely to pass on viruses that cause the common cold. Colds can be a trigger for Asthma, and asthma management can become more difficult for students attending pre/school when they have a cough or cold. Ensure students reduce the risk of passing on coughs and colds by avoiding coughing or sneezing on, or near other people and that they wash their hands appropriately after blowing their nose. Sneezing into the inside of their elbow instead of their hands can also prevent the transmission of infections. If students are very unwell, they should be encouraged to stay home and rest to reduce the chance of spreading infections and to give them a better chance of recovering quickly.

Asthma Medication Parents please ensure that if your child is an asthmatic, there is a puffer at school for him/her to use. Forms available from the office.

Our Virtue at Hillcrest for weeks 5 & 6 is ENTHUSIASM

Enthusiasm is being inspired. It is doing something wholeheartedly, with zeal and eagerness – giving 100% to what we do. Being enthusiastic is being excited about something, looking forward to it. It comes from having a positive attitude.

At home, work and school acknowledge ENTHUSIASM in family, friends and colleagues by noticing when they …

- Enjoy looking forward to something
- Think of imaginative ways to get things done
- Do things wholeheartedly
- Smile, laugh and enjoy what they do
- Enjoy the wonders of life
- Are full of positive spirit

Remember – “To be successful, the first thing to do is fall in love with your work.”  Sister Mary Lauretta

Parents! unless your child is in Pre-Primary and you’re the holder of a parking permit you are not allowed to drive in the school grounds. Please use the Kiss & Drive

We are now taking Expression of Interest for Kindergarten, Pre- Primary and Year One for 2014

Please come to the office & fill in an Expression of Interest for your child

We require copies of
- Birth Certificate
- Updated Immunisation
- Proof of address

FOODBANK INCURSION This week on Tuesday 28 and Thursday 30 we had a visit from Food bank who came to cook and gives healthy ideas on food. Rooms 3, 7, 19, 20 were the lucky students who attended Some of their ideas were:

- Using interactive activities to teach basic nutrition.
- Activities including Healthy Eating Pyramid.
- Food labels and takeaway vs homemade foods
- Including a hands-on cooking workshop

A very big thank you to Louise Thorne and her team from Food bank for the fantastic food workshop.

A special thank you to Mrs Charmaine Thomas who organised this wonderful workshop for our students.
