PRINCIPAL’S MESSAGE

Hillcrest Primary School became an amazing array of colours, aromas and sounds last week as we tapped into our cultural and historical heritage for a week of celebration and recognition. International Feast Day provided students with an opportunity to proudly display traditional ethnic costumes whilst dining on culinary delights supplied by friends and family members. The Musical Harmony Concert was a terrific insight into some of the performance talent that we have amongst our student body. A special mention to Ms Neo and the Hillcrest Primary School Choir for their increasingly impressive repertoire of songs. Ms Nienaber’s room 18 assembly item was another special moment during a week which was capped off by some stellar performances on the sporting field by our Interschool Sporting teams.

REPORT GRADES

At the end of this term reports will be issued to all students from years one to seven. Parents are reminded the criteria for reporting is far more demanding that in previous years. Teachers are using standards linked to an end of year C grade to assess and report student achievement. A student demonstrating expected achievement at the standard will be awarded a C grade.

AUSTRALIAN EARLY DEVELOPMENT INDEX (AEDI)

Our school is taking part in a national collection of data on young children’s development. It is called the Australian Early Development Index (AEDI). The AEDI collects information at a community level about how children have developed by the time they start school. The next collection will occur between May and July this year. Your child’s teacher will complete a checklist based on their knowledge and observations of your child. The AEDI is not a test and does not require your child to be taken out of class.

HILLCREST SCHOOL FETE

Organisation of this year’s Hillcrest Primary School Fete being held on Sunday November 4 is well under-way. If you are available the committee is still seeking parents to assist with stall co-ordinator roles. Contact Fiona Butler or John Cottier via the school office. The next fete meeting will be held Wednesday 27 June 7.30pm.

ROAD SAFETY

The safety of children travelling to, from and around schools is an issue of concern for the whole community. It is imperative that a high level of safety is afforded all those who use schools and drive past them.

Your assistance is valuable in improving road safety around our school. A whole community approach will help us achieve our goal of maintaining safe roads for our children.

For the next fortnight our focus will be **Helpfulness**.

**Helpfulness** is being of service. It is doing useful things for people, such as things they cannot do for themselves, something they do not have time to do, or just little things that make life easier. It is important to be helpful to ourselves too, by taking care of our bodies. There are times when we need help from others. That is a good time to ask for help.

We are practicing **Helpfulness** when we……
- Notice when someone needs help
- Do a service without being asked
- Give people what they need, not always what they want
- Listen to someone who needs to talk
- Care for our own needs
- Ask for help when we need it.

At Hillcrest Kindy last week we held a special day to celebrate our grandparents and how much they mean to us. All the visitors were invited to come along for the morning to participate in some fun activities. We did lots of art and craft together, played in the gym and sang a song called “Guess How Much I Love You!”

The kindy children made some delicious biscuits to share for morning tea with their grandparents. A good time was had by all!
