Students, staff and our school community should take great pride in the achievements of our school over the past nine weeks. Our students have shown great endeavour as they have striven to achieve their goals for the term. Our staff have worked diligently to continue to provide meaningful real life learning experiences. Our community have shown great support with their efforts in helping maintain our safe, caring and welcoming learning environment. There have been many celebrations and highlights from the term. Check inside for our Fine Pupil Awardees who have been recognised for consistently demonstrating our Hillcrest values of Justice, Unity, Respect, and Responsibility.

Our next community planting day will focus on rejuvenating the Drake Street verge into natural bushland. ‘Friends of Hillcrest’ are welcome to help out on Sunday 21st July from 9am. Just bring your favourite trowel all plants and materials will be supplied by Bayswater Council. Hope to see you there.

Hillcrest Adidas School Fun-Run
The Adidas school fun-run is a healthy, fun and active fundraiser with a focus on family participation in an active and healthy lifestyle. Students have received a sponsorship form that requires parental permission to participate in this event. Funds raised will be used to purchase Shade and develop Natureplay environments for our students. Students wanting to train for our event and to receive feedback from sporting heroes like Sally Pearson and Jonathon Brown can do so by logging onto schoolfunrun.com.au/students. Contact the school if you would like to help on the day.

On behalf of the students I’d like to thank everyone for their contributions to our school community this term. I hope everyone enjoys a safe and relaxing holiday break and look forward to the commencement of another great term when students return on Tuesday 23rd July.

Dan Bralic
Principal

Virtue for Week 9 — HELPFULNESS
HELPFULNESS is being of service. It is doing useful things for people, such as things they cannot do for themselves, something they do not have time to do, or just little things that make life easier. It is important to be helpful to ourselves too, by taking care of our bodies. There are times when we need help from others. That is a good time to ask for help.

When we are helpful, we care about others. We don’t wait to be asked. We notice what needs to be done and just do it. If we cannot figure out what someone needs, we ask them “How can I help?” or “What do you need?” We help ourselves by remembering to eat healthy foods, exercise and get plenty of rest. We remember to ask for help when we need it.

As a family, discuss what HELPFULNESS looks like in your home. Each person could then share a way or ways in which they are going to help their virtue of HELPFULNESS shine. I am going to make the lunches the night before so that my family can save time in the morning and not be in such a rush before school.

Our virtue for weeks 1 & 2 -Term 3 is Understanding.  Mr Steve Fairs D/Principal.

CAKE STALL THANKS!
The Year 7 cake stall held last Thursday 27 June raised $301.00. Many thanks to the families who provided goodies and all helpers on the day.

Next Cake Stall Thursday 8 August

**WELL Done TO Our Clever Kids!**
HILLCREST COMMUNITY NEWS

Hillcrest Primary School we will be holding an Adidas School Fun-Run as a major fundraising event this year. The event will be held on Tuesday 13 August, 2013 within the school grounds. The Adidas School Fun-Run is a healthy, fun and active fundraiser that ensures we send the right message to our students about getting active, having fun and maintaining a healthy lifestyle.

The main focus of this event is on participation. Family support is most appreciated as we encourage all students to get involved. All students have received a Sponsorship Form to help collect sponsorship on behalf of the school. The funds raised will be put towards a major project like playground equipment or development of playground areas etc.

We ask all parents to read the Sponsorship Form and sign the front page to grant permission for their child to fundraise and participate in this event. Students who raise just $10 or more will receive a reward for effort. In the Sponsorship Form you will also find many other benefits like the chance to win a family holiday to Disneyland!

Students wanting to train for our event and to receive advice from sporting heroes like Sally Pearson and Jonathan Brown, can do so by logging onto schoolfunrun.com.au/students and clicking on mi adizone.

Finally, we would like to welcome parents and family members to attend the adidas School Fun-Run event day at the school on Tuesday 13 August, 2013 to help cheer on the students. If you would like to volunteer and help out on the day please contact the school on 9370 2330

Thank you, good luck and happy fundraising! Mrs Lynda Mohr Event - Coordinator.
