NDIS and Me Forum

Date: Saturday 1 August 2015
Time: 1pm – 3pm (light refreshments)
Venue: DADAA
   6 The Avenue, Midland

Jackie Softly and Julie Ireland from Down Syndrome WA will run this informal discussion forum for people with Down syndrome of any age and their families living in the Perth Hills NDIS trial site. We plan to discuss the changing disability sector, NDIS and your experiences, what information and support you need and talk about setting up a local peer support group for people with Down syndrome and their families.

We will also be available to talk about any other issues, provide information you might need, answer questions and generally discuss anything that is relevant to families in your area.

Please let us know what topics are of interest to you so that we can bring appropriate resources.

Please fill in this form and email to admin@dsawa.asn.au by 27 July 2015
