A note from the Coordinator:

Welcome back to our final term of the year. I hope you had a wonderful holiday and are well rested ready for an exciting new term. Carla Nelson, one of our staff members resigned because she's having a baby and I would like to welcome Stephanie Blake, our new permanent assistant educator who is very active and eager to show her talents, abilities and skills as an Educator. Stephanie is our dance Instructor in our Social Dance lessons every Thursday afternoons.

Stephanie

September/October Vacation Care Program

Our Vacation Care Program was very busy because a lot of changes happened those times. Different staff members on board plus new children coming from different schools and Coordinator's on leave. The most exciting Vacation Care Program for all the children was the Laser Tag and Puppet Show in which children decided to make their own Acting Out Show as an extended activities. The Vacation Care Program ended up with very calm and productive manner.

Puppet Show/Children Acting Out Show

Water Play Week 4-Week 7 Term
4 Every Fridays 4:00pm-5:00pm

Child of the month

Congratulations to **Krish Patel** for being the child of the month. We are proud to have Krish at Helping Hands Hillcrest as he is the only one who's

doing his homework every day without asking him. Krish truly deserves to be child of the month because of his initiative that makes him a role model in showing the importance of doing homework.

We Want You

If you have any skills/expertise you would like to share to the children, please let us know as we are more than happy to welcome families to join us at Helping Hands and organize a special event for you and the children. Also, if you have any brilliant ideas/suggestions for our program, please contact us

A Friendly Reminder

Families, please let us know if you've changed your mobile number or address since you've last submitted our Helping Hands enrolment so we can update your details in our system. This is very important in case we need to contact you in the event of an emergency
