Principal

The colours of Hillcrest Primary School were on display last Wednesday as our school community came out to compete in the school sports faction carnival. The beautiful Spring weather combined with our wonderful tree rimmed oval provided a glorious backdrop for the days program. It was extremely rewarding for many children whose parents were able to come and support their child participate in the many events. Special thanks to the volunteers, staff and support team that helped make the day such a success. Congratulations to all participants who demonstrated outstanding sportsmanship throughout the day.
OUR VIRTUE FOR WEEKS 9 & 10 is HELPFULNESS

HELPFULNESS is being of service. It is doing useful things for people, such as things they cannot do for themselves, something they do not have time to do, or just little things that make life easier.

It is important to be helpful to ourselves too, by taking care of our bodies. There are times when we need help from others. That is a good time to ask for help.

When we are helpful, we care about others. We don’t wait to be asked. We notice what needs to be done and just do it. If we cannot figure out what someone needs, we ask them “How can I help?” or “What do you need?” We help ourselves by remembering to eat healthy foods, exercise and get plenty of rest. We remember to ask for help when we need it.

As a family, discuss what HELPFULNESS looks like in your home. Each person could then share a way or ways in which they are going to help their virtue of HELPFULNESS shine. I am going to make the lunches the night before so that my family can save time in the morning and not be in such a rush before school.

Fathers Day Brekkie at Hillcrest

Thank you for attending the Fathers Day Brekkie. We had over 170 Dads and kids. It was a great social event organised by the P & C.
On Wednesday 10 September, Hillcrest Primary School held its Faction Carnival for 2014. It was perfect weather for the competitors to take part in the annual Athletic Track and Team Games events. Beginning with the March Past, teams paraded, proudly carrying their flags. The first event was underway with the year one Bean Bag Relay.

Just before morning recess the Kindy & Pre-Primary children joined the carnival for their events. These events were enjoyed by competitors and the spectators with close finishes the order of the day. The final events were the Relays and baton changes were vital for their teams to gain the extra advantage. The Grand relay was the final event with Yr 1 to Yr 7 competing with Red winning this event. The P & C provided ice creams for all students to enjoy after the exciting day of competition. Thank you to all who assisted voluntarily and to the staff for the organisation of the carnival.
