THE SCHOOL FETE  The clear bright skies and heat experienced last weekend did nothing to stifle the spirits of the Hillcrest Community who endured the oppressive heat, to share in a myriad of attractions that was the 2014 Hillcrest Primary School Fete. Crafts, colours, sausage sizzles, abseiling, water slides, dunking machine, hole in one, international food tasting, laser corps, popcorn, & fairy floss, pony rides, temp body art, cake stalls, magical homemade soaps and fantasy creations... What an amazing day! The fete organising committee along with the entire parents and citizens association have immense cause to feel proud of their achievements in providing a magnificent experience for our community and the area of Bayswater.

The final amount raised by our P&C during the school fete was a little over $5 000 which is quite admirable given the adverse weather conditions. All Fun, Protection from the Sun was the theme in recognition of the intended use of raised funds in providing essential shade covering for our school grounds.

HILLCREST 2015—LOOKING FORWARD
The Hillcrest Primary School organisation for 2015 is in the throes of being determined. With the year 6 and 7 cohort moving on to secondary school we lose 74 children. Our current projected enrolments in the Kindy are 56. Our projected numbers are 389 for 2015. This means the school is likely to run with 12 classes. New funding guidelines mean the school will have less funds to operate with as it is based on a per capita model.

ROTTNEST ISLAND YEAR SIX AND SEVEN LEAVERS CAMP
Our year six & seven students have been at Rottnest Island this week for their annual camp. I’m certain everyone there has enjoyed the opportunity to forge life long memories and friendships whilst learning about the integral role the island has played in our local history. All reports are that children have enjoyed their camp experience so far.

TRAFFIC WARDEN ON COODE STREET NEAR PATERSON STREET
The traffic warden on Coode Street near Paterson Street has resigned. A relief warden will cover the morning shifts, but no one is available for the afternoon shift at present. Please encourage your child to cross the road at the top of Coode Street near Bayview Street where a warden is present.

With the warmer weather approaching, it is a timely reminder that Hillcrest has a
Full Hat Full Play policy with students who are wearing full brimmed hats are provided with the maximum playground opportunities.
Students without hats are expected to remain in shaded or under covered areas.

COMMUNITY PARTICIPATION AWARD
This award recognises students who have made a significant contribution in the wider community. Although these are usually awarded to year 6/7 students, all students are eligible for nomination. Where possible, nominations should be supported with documented evidence and submitted by Friday 21 November 2014

THE BARRY VINCCE AWARD
The “Barry Vince” Award is presented each year to selected students who perform in a range of fields at an exceptionally high level – usually state representation, recognised academic courses or special secondary placement programs that involve rigorous selection criteria. These are prestigious awards given at our end of year graduation. Nominations are called for now and close on Friday 21 November 2014

FELICITY DEAR ARTS AWARD
Nominations are called for students to be recognised for our “Felicity Dear Arts Award”. Students and parents self-nominate and are asked to provide a brief outline of achievement in the area of the Arts. For further information contact Steve Fairs by Friday 21 November 2014

Hillcrest Virtue for week 6 is Orderliness
ORDERLINESS is being neat, and living with a sense of harmony. It is being organised and having a place for things when you need them. Orderliness is planning something so that it works, doing it step by step instead of going in circles. It is putting first things first, and taking care of things you need to do. When we are orderly, we get things done efficiently, without wasting time and effort. During your family discussion time you could discuss:
- How each of you shows orderliness at home?
- What helps to maintain orderliness in your home?
- What does it feel like when things are orderly?
- Any problems that need resolving. For example, in my family putting things away after using them is an issue.
- Decide together how best to resolve problems. For example, I could acknowledge family members when they show orderliness and put things away after using them.
- I could make a family rule that a toy or game has to be put away before another one can be taken out…

Orientation Day for students attending - John Septimus Roe Anglican Community School who will be attending Year 7 in 2015. Friday 28 November, 2014. The day will run from 8.40am to 3.35pm.

This is an invitation to Year 1 and Year 3 Students:
Faces convey a wealth of important social information, such as identity, age, gender and emotion. Our skills in reading faces are crucial during social interactions every day. Researches from the school of Psychology at the University of WA are studying how children develop the ability to recognise faces and read emotions from faces. The study aims to find out how these face-reading abilities develop during childhood and why some children are better at them than others. Students in Year 1 and Year 3 are invited to become involved in this exciting new research project.
