“We’re all volunteers here!” was the motto for the final meeting of the Hillcrest Primary School Parents and Citizens committee for 2014. This group of individuals and many other friends, family and supporters have done a magnificent job this year in helping bring amazing learning experiences to our students. The impact of our parent volunteers can not be understated as is evident in this years incredible accomplishments: Purchased permanent and transportable shade structures, Installed sound system in undercover area, Organised a spectacular fete, Hosted mothers day high tea, Fathers day breakfast, Halloween Disco, ADIDAS Fun Run, Revegetated and maintained Drake street verge, Sponsored classroom activities, Planted an instant orchard, Purchased trestle tables, Managed canteen services, Audited and implemented sustainable energy and water practices (saving thousand of $$$’s), Funded class vegetable patches, Provided uniform supplies, Hosted school banking, Supplemented whole school incursions and excursions… Coached netball premiership teams and conducted afterschool sport sessions… need I say more… a very special school community… thank you all…

Hillcrest Primary School Early Childhood Centre and Administration Building upgrade project announced!

The future of public education at Hillcrest Primary School is guaranteed with the recent announcement of a $2.1 million refurbishment and upgrade. As of 2016 all students attending HPS will be hosted at the main Bayview street site. Building will commence in 2015 to convert the existing year one rooms into pre-school rooms joining the existing pre-primary classes to create an Early Childhood Centre. Construction of a new administration building will happen concurrently with expected use of the new facilitates scheduled for the commencement of 2016.

A special thank you to Hillcrest Primary School council chair Gavan McGrath for his efforts in highlighting our school communities needs in the public forum and assisting to generate the debate that lead to this incredible outcome for our school.

The opportunity to coordinate the respective resources of our parents and citizens in the design stage of the project is exciting and provides plenty of scope to integrate our school communities thoughts (i.e.: sustainability, nature play, etc.) into the building phase of the project.

Kindy and Pre-Primary Orientation
Friday 5th December we will be hosting parents whose children are enrolled in kindergarten and pre-primary for 2015. Please check with administration to confirm times and location of these meetings.

Student Reports
Teachers are currently finalising assessment and reporting for all students. Reports will be handed out on Monday 15th December.

Farewell ECU practicum students
We thank our student practice teachers and wish them the very best for their future careers.

**HILLCREST VIRTUE FOR WEEK 8 IS MODERATION**
Moderation is creating balance in our life between work and play, rest and exercise. It is having or doing enough of something – not too much, not too little, but what’s just right for us. If we study all the time or play all the time it is not being moderate. MODERATION is being in charge of our time and using self-discipline to keep from doing too much or too little. *Mr Fairs Associate Principal*
