**Millennium Kids**  
**Working Together for a Better World**

Last week a representative group of Hillcrest students participated in a two day workshop with visiting international students from Malaysia and Indonesia. During the sustainability workshop students discussed local and global issues, audited their regions needs using a ten step inquiry method and created a practical action project focused on water, waste, energy and leadership. This proactive group of students will be presenting their many wondrous ideas and proposals to our whole school sustainability committee for consideration and incorporation into our sustainability program. Our whole school sustainability focus is currently gathering momentum with the committee recently conducting an audit of our schools energy, water and gas usage—with some surprising results leading us to make some well informed decisions about school practises and how we can begin to minimise our environmental footprint.

**NAPLAN** testing (National Assessment Program—Literacy and Numeracy) for this year was conducted on the 13, 14 & 15th May for all students in years 3, 5 and 7. Skills tested include numeracy, reading, writing, spelling, grammar and punctuation. Results will be collated and parents will receive individual student NAPLAN reports that can be used to monitor your child’s progress. Our school analyses this information and incorporates strategic targets into school planning to improve the progress of identified cohorts of students. Further information is available on the NAPLAN website.

**SURPLUS CANTEEN ITEMS** The school canteen currently has a number of older varieties of food warmers that are surplus to requirements. If you or your organisation are interested in adopting any of these items from the canteen please contact Melissa Emanuele on 9271 8612.

**THANK YOU** to the P&C and Kindy volunteers that assisted with the Bunnings Sausage Sizzle and BBQ on the weekend. We would like to thank you for your dedication and support of our school’s fundraising opportunities.

**COMMUNITY FAMILY PLANTING DAY** It is that time of year again when we continue our school rejuvenation projects. **Saturday 21st June** is our next scheduled planting day in association with the Bayswater Council. Pencil in the date to come down and help make our school environment such a great place to learn.

**P&C MEETING** The next parents and citizens meeting will be held in the school staffroom on Wednesday 18th June 7.30pm. Hope to see you there.

Principal
VIRTUE - for week 5 & 6 Enthusiasm
I am full of enthusiasm. I look on the bright side. I give 100% to whatever I do. I use my imagination. I am open to the wonders in store for me today.
You are practising Enthusiasm when you...

♥ Let yourself look forward to something
♥ Think of imaginative ways to get things done
♥ Do things wholeheartedly – give 100%
♥ Smile, laugh and enjoy what you do
♥ Enjoy the wonders of life that are full of positive spirit

Mr Steve Fairs, Associate Principal
